Salary and benefits

Statutory or Citizen Concerns:

None anticipated

Departmental Concerns:

Department needs to fill these temporary positions in order to provide adequate shift coverage for the servicing of buses, fueling buses, and running buses through bus wash operation in order to be able to meet morning pull-out and bus service requirements. No additional positions were added to staffing table to staff new LIFT facility on Fred Wilson; service workers from main facility were moved to staff LIFT facility, causing a staff shortage at main facility. Service workers assigned to main facility are working excessive overtime, including Transit Fleet Services Supervisor, to cover all shifts, weekends, and holidays.
